## Experience

**Creative Marketing Associate | Brand Design • Visual Content • SEO • AI Automation,** 04/2025 – Present
*Zovora Store* Mumbai, India

- Designed 50+ branded visual assets for digital campaigns, social media, and B2B marketing using Canva and AI-assisted content tools, contributing to 8K+ impressions and 0.5–1% CTR across Meta and Google Ads.
- Developed and maintained the brand's visual identity, creating style guides, templates, and creative standards to ensure consistency across product, promotional, and customer-facing materials.
- Produced campaign creatives end-to-end, including ad visuals, marketing collateral, and promotional content, translating campaign goals into engaging visual experiences.
- Managed on-page SEO for the Wix website, optimizing page structure, meta titles, descriptions, image alt text, and keyword placement to improve search visibility and content discoverability.
- Built and implemented AI-powered workflows for content creation and campaign execution, leveraging tools such as Claude, Canva, ChatGPT and Perplexity for prompt engineering, copy generation, and creative automation, reducing manual content production time.
- Collaborated with marketing and business teams to refine creative concepts using campaign performance insights, continuously improving visual content effectiveness and audience engagement.

**Jr. Associate, Market Research & Operations,** *IIDE (Indian Institute of Digital Education)* 12/2023 – 12/2024
Mumbai, India

- Managed end-to-end operations for 300+ remote interns each month, leading onboarding, training sessions, and ongoing support to ensure smooth program execution across digital marketing initiatives.
- Built and optimized workflow automation systems using Google Workspace (Sheets, Forms, Docs) and AI productivity tools, reducing manual administrative work and improving team efficiency by 25%.
- Solved operational bottlenecks by designing scalable processes, automated tracking systems, and feedback workflows that improved coordination between interns, mentors, and internal teams.
- Partnered with multiple stakeholders through cross-functional collaboration to create onboarding resources, training materials, and performance feedback frameworks that enhanced intern engagement and program quality.

**Renewal Specialist,** *Maahee Technologies* 02/2022 – 05/2023
Mumbai, India

- Drove client retention initiatives in the cybersecurity sector through targeted outreach, relationship-building, and value-focused communications, achieving a 40% retention rate.
- Crafted compelling customer narratives around security solutions, leveraging active listening and creative problem-solving to strengthen engagement and build trust.
- Analyzed client feedback and engagement trends to uncover growth opportunities, supporting 15%+ revenue growth through strategic recommendations and personalized follow-up campaigns.
